

Instrumental Diagnostic and Therapy Approaches in Speech Disorders

John Radcliffe Hospital,
Headley Way, Oxford OX3 9DU

15-16 October, 2015

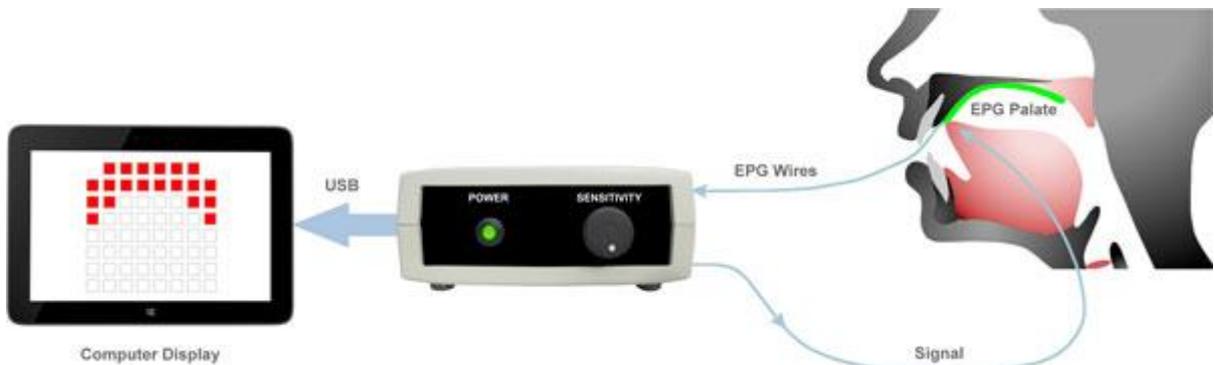

Image via Rose Medical

Dear Delegate,

We are delighted to provide you with an exciting CPD opportunity in 2015.

This interactive workshop will take place over two days in Oxford, and will provide an opportunity to review the **evidence-based for using instrumentation in the diagnosis and treatment of speech disorders**, including **electropalatography and nasometry**. This workshop will feature opportunities for **hands-on learning** as well as **interpretation of assessment results** from a variety of experienced guest presenters. **Patient selection and practical therapy strategies will also be included**. If you are a speech and language therapist, a speech and language therapy assistant or a speech and language therapy student, this workshop will provide an invaluable learning opportunity.

This brochure contains information regarding the workshop program, accommodation, catering, transport, parking and registration.

We are delighted with the level of interest that we have received in this workshop and we recommend completing the registration form on the last page of this brochure and returning it to us as soon as possible to secure your place as positions are limited.

We look forward to hosting you for this workshop.

The Spires Cleft Centre Team

For inquiries, please contact:

Ms Sarah Kilcoyne

Sarah.kilcoyne@ouh.nhs.uk

Email is the preferred form of correspondence, as the workshop organiser is a clinician. We will endeavour to respond to your email as soon as practicable.

Friday 16 October, 2015	
9.15 – 9.30 am	Registration and Coffee
Nasometry Revision of instrumentation Technical information Patient selection Research Practical Workshop	
4.00 pm	Finish.

Guest Speakers

We have a wonderful line up of experienced and dynamic guest speakers including:

Dr Ginette Phippen

Ginette is the lead speech and language therapist for the Spires Cleft Centre, Salisbury and Oxford . She has over 10 years experience of using instrumental diagnostic and therapy approaches in speech disorders and completed a clinical doctorate in 2012 investigating the use of nasometry in visual feedback therapy. She recently co-wrote and edited a textbook on speech therapy for children with cleft palate and velopharyngeal dysfunction . Ginette has specialist clinical skills in nasendoscopy and electropalatography.

Zoe Jordan

Zoe Jordan is the Lead Speech and Language Therapist for the South Thames Cleft Service. She graduated from De Montfort University in 2002 with a BSc in Human Communication Sciences and has specialised in Cleft Lip and Palate and Velopharyngeal Dysfunction since 2003. She received her MSc in Speech and Cleft from the University of Sheffield in 2008, undertaking perceptual and electropalatographic research into compensatory speech patterns employed during ventriloquist speech. She was a member of the committee for the National SLT Clinical Excellence Network, (CEN), for Cleft and Craniofacial Anomalies for four years, taking on various roles including Chair of the CEN between 2012 and 2014.

Lucy McAndrew

Lucy McAndrew is a highly-specialist speech and language therapist from the Spires Cleft Centre in Oxford. Lucy has many years of experience working with children and adults with speech disorders. She has a special interest in EPG and has recently authored a book chapter on the subject.

Workshop Venue

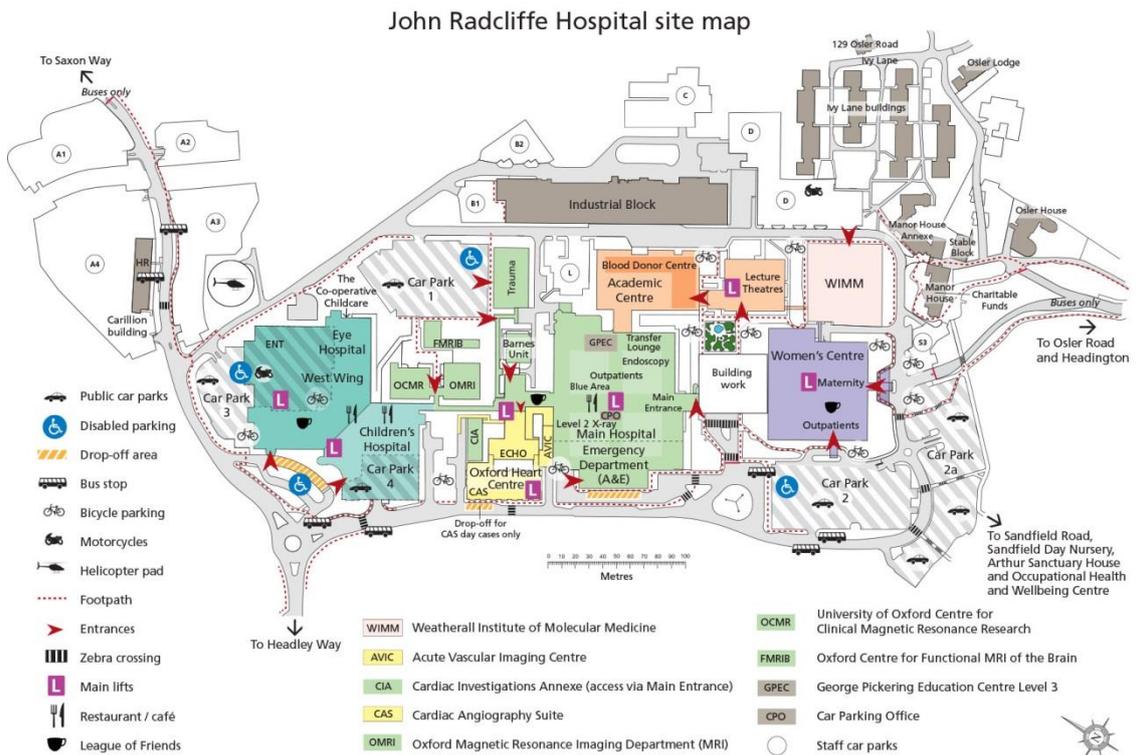

The workshop will be held in the John Radcliffe Hospital. Please note that the workshop will be held in a different venue each day. Please refer to the map below to help orient you to the hospital site. There are volunteers dotted around the hospital that can assist you in getting to the workshop venue if required.

Thursday

Lecture Room – George Pickering Education Centre

Friday

Lecture Room – George Pickering Education Centre

Accommodation

A variety of accommodation options are available in Oxford able to suit all budgets. Oxford is a very busy tourist city and we recommend booking accommodation as soon as practicable to avoid disappointment.

Please find below some options that are within a reasonable distance of the JR Hospital. Please note this list is not exhaustive and does not constitute a recommendation.

St Hugh's College B&B

Saint Margaret's Road, Oxford OX2 6LE
01865 274900

Premier Inn, Oxford

Oxford Business Park, Garsington Road,
Oxford OX4 2JT

Tel: 0871 527 8866

Holiday Inn, Oxford

Pear tree Roundabout, Woodstock Road, Oxford OX2 8JD
Tel: 0871 942 9086

Travelodge Oxford, Pear Tree

Moto Service Area, Pear tree Roundabout, Woodstock Road, Oxford, OX2 8JZ
Tel: 0871 984 6206

Transport

The John Radcliffe is easily-accessible via public transport options. Please note that car-parking is very limited and there is **no on-street parking** nearby. The JR Carparking office suggest that if you have no alternative, that you allow **one hour to find a carparking space**. We strongly advise you to make **every possible effort** to travel by other means including accessing the **Park & Ride facilities**.

Directions

Address: Headley Way, Headington, **OX3 9DU**

Please use postcode **OX3 9DU**, when using online route-finders for directions to the John Radcliffe, to take you to the correct entrance.

A **google-map link** for the hospital can be found at the following link:
<https://www.google.co.uk/maps/search/ox3+9du/data=!4m2!2m1!4b1>

Train

The John Radcliffe is approximately 3 miles from Oxford railway station, with its frequent trains from London (Paddington) and many other parts of the UK. Allow approximately 15-20 minutes from the station forecourt and approximately 25-30 minutes by bus (number 13 and 14 – see below) direct to the hospital.

Coach

The “**Oxford Express**” (**X90**) and the **Oxford Tube** operate frequently 24 hours a day to and from central London, stopping at Headington Shops – which is a ten minute walk from the Hospital. Cost is approximately £15 return.

By Air

Oxford is well placed for airports in London and Birmingham, London Heathrow is approximately 70 minutes by bus – Airline Express X70. There is also an Airline Express X80 to London Gatwick. These services stop at Headington Shops.

Direct buses (bus stops on-site) from Oxford Railway Station

13 Railway Station / City Centre / Marston / Northway / JR

X13 Railway Station / Cherwell Drive / JR

14 & 14A Railway Station / City Centre / Banbury Road / Marston Ferry Road / JR (14A operates via Old Marston)

Park & Ride

If driving to Oxford, it is recommended that you use the Park & Ride services. The buses run **Monday to Friday** and stop at the hospital a short distance from the main entrances.

Information about the Park & Ride service that will best suit you can be found at:
<http://www.ouh.nhs.uk/hospitals/jr/find-us/bus.aspx#parkRide>

Parking

Parking charges

Up to 30 minutes	Free (if vehicle exits within this period)
30 minutes to 1 hour	£1.40
1 – 2 hours	£2.80
2 – 3 hours	£4.20
3 – 4 hours	£5.60
Over 4 hours	£7.00
8.00 pm – 8.00 am	Free
Lost Ticket Charge	£7.00

Disabled parking

There is parking for disabled Blue Badge holders in Car Parks 1, 2, 3 and 4: disabled parking within these Pay on Foot car parks is subject to charge.

Additional Transport Information

For all additional information as well as transport inquiries, please use the following link:

<http://www.ouh.nhs.uk/hospitals/jr/find-us/car.aspx>

Catering

In order to keep costs for this workshop to a minimum, **catering is not included**. Delegates are invited to bring a packed lunch or access any of the catering options available on site. Please note there are no accessible refrigeration facilities on site during the workshops.
